

Daily Affirmations

for the Woman of God

I am a warrior who makes hell
shake and heaven roar!

I am a woman of authority and
power.

I speak for all that is good and
right and pure!

I am a peacemaker between the
people in my life.

I create beauty everywhere I go!

My prayer life will leave ripples in
the ocean of history.

I dream in tandem with the
Creator of the universe!

I am enough when I partner with
the God who is more than
enough.
